DATE & TIME: 05/21/2009 2:00 PM
FILE #: 1071
PROJECT: KAHANU STREET, SCHOOL STREET AND UMI STREET RELIEF SEWERS, OAHU
JOB NO.: W10-08
AGENCY: Office of the Division of Purchasing, Department of Budget & Fiscal Services, City and County of Honolulu, 530 South King Street, Room 115, Honolulu, Hawaii 96813 -- Glenn Okita, phone 768-8764
DESCRIPTION: ADDENDUM 1

Work includes upsizing sewers to 8", 10", 15" and 18" sewer mains, reconnections to existing sewer laterals, construction of new sewer manholes, cleaning and installing cured-in-place pipe liner for existing 30" and 36" sewer mains, epoxy coating of an existing 16" by 44.5" box sewer, enlarging pipe openings in manholes, sliplining 6" liner pipe in existing 10" and 12" sewer mains, reinstatement of existing sewer laterals, chimneys and manhole shallow drop connections, rehabilitation of existing sewer manholes, pre- and post-construction surveys, closed circuit television inspections of sewer lines and manholes, and traffic control work.

To be eligible to bid, the prospective bidder must: (1) Satisfy the requirements of Special Provisions Section 221 "Qualification of Bidders", The City shall be the sole judge as to whether a bidder satisfies the said requirements by review of his Bidder's Statement of Qualification form. The said form, made a part of these contract documents, must be properly completed and hand carried sufficiently ahead of time to be received by the Director of Budget and Fiscal Services not later than 4:30 p.m. on April 17, 2009; (2) be licensed in accordance with Chapter 444 HRS relating to the licensing of contractors; (3) viewing of OCTV inspection videos by bidders is mandatory; viewing must be completed by 4:30 p.m. on May 20, 2009.

The pre-bid conference will be held on May 1, 2009 at 10:30 a.m. at the Fasi Municipal Building, 9th Floor Conference Room, 650 S. King St., Honolulu, HI 96813.

Note: Due to the nature of the work contemplated, bidders must possess a valid State of Hawaii Contractor's license classification A.

Bid Guaranty: 5% of the amount of bid

Performance Bond: 100%

Work to be completed within 380 consecutive calendar days from the official commencement date specified in the Notice to Proceed.

Liquidated Damages: \$800.00 for each calendar day of delay

Bid documents in CD format may be examined in the plans room at Trade Publishing Company and can be viewed online by Plus & Prime members.

Documents in CD-ROM format may be obtained from the Purchasing Division of the above agency.

Addendums will be issued by the agency. It is the contractor's responsibility to check periodically for any addendums to this solicitation.

Estimated Construction Cost: \$12,700,000

How to View Plans

Whether you select Image-View or List-View the top of the next page will look like this:

The screenshot shows a web interface for a 'BID SCHEDULE'. On the left, five categories are listed with brackets: 'Project Info', 'Free Tools', 'Specs', 'Download plan files', and 'Orders for BSD to print files'. On the right, five corresponding annotations with arrows point to specific elements: 'View Specs' points to a 'View Specs' link; 'Download Spec file' points to a 'Download Specs' button; 'Free MaxView Reader required' points to a 'Download Plans - MaxView Required' link; 'Order ALL Specs to be printed.' points to a checkbox for 'Select All Specifications for Print Order'; and 'Order ALL plans to be printed.' points to a checkbox for 'Select All Plans for Print Order (56 pages)'. The page content includes project details, tool download links, a table of specifications, and print order options.
